How to Use This Book

4 free pages · kids & adults · print as many copies as you like

1. **Print**
   Made for US Letter paper. For A4, choose "Fit to page" in the print window.

2. **Pick a page**
   Every page is a real page from the full Christmas Coloring Pages: Santa and Friends. Do them in any order.

3. **Get supplies**
   Crayons, colored pencils or felt tips. Thicker paper stops markers bleeding through.

4. **Want more?**
   The full book has all 25 pages. See the last page, or visit thepuzzlemint.com.

Tips

- Print a page for every child at the table.
- The mandala is for grown-ups: try fine-tip pens.
- Hang finished pages in the window for Christmas decorations.
